Construction Permit Application

Dear Mr. Wampler:

We received your permit applications for construction of the handling, processing, and transfer operations and the generators on July 23, 2012. Subsequently, we examined your submittals for completeness and determined that they are incomplete for the following reason(s):

- a. Additional information is needed as follows:
 - i. An APC 21(& 24) for the handling, processing, and transfer operations. Please ensure all items are complete.
 - 1. On item 8 (please include the process material inputs and in-process solid fuels).
 - 2. On item 9 (please include the rated input capacity (mmBtu/hr)).
 - ii. An APC 22 for the generators. Please ensure all items are complete.
 - 1. On item 7 (please include the actual stack flow rate).
 - 2. On item 8 (please include the air contaminant emissions).

We are also enclosing the forms with this letter for your convenience.

The required information should be submitted to the Tennessee Division of Air Pollution Control, at the letterhead address.

To expedite the processing of your permit application, please submit the requested information as soon as possible, but not later than 180 calendar days from the date you received this incomplete application notice. If you have questions, please contact Ms. Hymelia Craig at (615) 532-0575.

A COPY OF THIS LETTER MUST BE SUBMITTED WITH THE REQUESTED INFORMATION.

Sincerely,

John A. Trimmer
Chief, East Tennessee Permit Program
